

Notice of Rulemaking:

Colorado Rules of Judicial Discipline, Revised Rules 3.6, 34, 35, 36 and 37(e)

The Judicial Discipline Rule-Making Committee has approved 5 rule changes: Rules 3.6, 34, 35, 36 and 37(e).

The Committee promulgated each of these as an interim rule. The intent of an interim rule is to address pressing issues without delay. The Committee invited the public to submit comments in writing regarding the interim rules. The Committee also held a public comment hearing on October 3, 2025 regarding these rules.

Having considered the public comments received, on November 19, 2025, the Committee voted to approve Interim Rules 3.6, 35, 36 and 37(e) as previously circulated, with no additional changes. A final copy of each rule is available on the Commission on Judicial Discipline's website at <https://ccjd.colorado.gov/judicial-discipline-rule-making-committee>.

On November 19, 2025, the Committee also voted to approve Interim Rule 34 with some additional revisions. A final copy and a redline copy showing the additional revisions to Rule 34 is also available at the link above.
